PRODUCT ONE-SHEET

AuditPitch — audit, present, and win the work.

AuditPitch is a self-hosted system for freelancers, agencies, and local-business marketers: run a trade-specific audit of a local business's website, present a branded report, build the proposal from the audit, and deliver the new site — in one dashboard.

EDITIONS

Base — **$19**
1 installation, 1 active client brand, audit workspace + Quick Audit, evidence review, branded report export, basic editable proposal, quick-start material.

Pro Lite — **+$27**
Save the 5 most recent audits per licensed brand; reopen and export them.

Pro — **+$47**
Saved audit history, side-by-side audit comparisons, reusable editable proposal packages.

Agency Lite 3 — **+$37**
